## Dear Campers and Parents,

It is an exciting time for Brookwood High School, and our basketball program. The 2016-17 Season culminated with a trip to the State Quarterfinals and a final state ranking of #10. **We want to continue to build our home grown talent base** with our fundamental camp where children will be able to learn new skills and develop their basketball abilities to the fullest. We want kids to enjoy the game of basketball and develop their talents to become a better player. Throughout the camp we will cover basic fundamentals of ball handling, shooting, passing and overall knowledge of the game along with fun activities to keep the campers fresh. I look forward to you joining us for a great summer camp!

Yours in basketball,

Daniel Bowles

## Session 2: Incoming Freshman Camp

This camp is an excellent way to start learning about Brookwood Basketball. Coach Bennum will serve as the lead instructor in the camp and will begin teaching the offenses and defenses that we use here at Brookwood. We will also work on fundamentals with the use of various drills that we use in our high school practices and game situations. This camp is a great opportunity to get your “foot in the door” entering 9<sup>th</sup> grade at Brookwood. **A majority of our current varsity players** went through this camp as they entered high school.
